I. Limited Exit Obstructions Permitted

Projections specifically permitted by Chapter 10 of the Uniform Building Code may be placed in the required width of an exit.

II. Casement Windows

Projecting sashes of casement windows are not specifically permitted and, therefore, will not be allowed to project into the required width of any exit including corridors, exterior exit balconies, ramps, stairways, smoke-proof enclosures, horizontal exits, exit passage-ways, exit courts, yards, etc.
